

Under 6 & 8's: Team Leaders Guide to SSG Rules

Kick-off:

- © Determined by a choice between the "captains" as to which hand the "match leader" has his or her whistle in etc.
- © A game is started with a kick forward to a team-mate from the centre of the halfway line. The opposition must be 4.5m away from the ball at this time.
- © Note: If the player kicks the ball into the goal without a team-mate touching the ball, it is no goal; when it deflects off a defender into the goal, it is a goal.

Goal Scoring

- © A goal is scored when the whole ball crosses the line. If Cones are used for goals they must remain upright.
- © Restart from kick off position

Ball in and out of play:

- © The ball is out of play when it has wholly crossed the goal line or the back line, or when play has been stopped by the referee.

Ball crossing the side line:

- © No throw-in but a kick from behind the sideline.
- © A player has three seconds to recommence the play from a restart after such time the team leader will shout 'GO!'
- © Defending team must be 4.5m from the ball until it is touched or team leader shouts 'GO!'

Corner kick:

- © Ball crossing the back line after touching the defending team last.

Goal kick:

- © Ball crossing the back line after touching the attacking team last.
